

Robert T. Kiyosaki

Fast Easy Money With PayPal \$15,000+

Turn \$5.00 into \$15,000 in 30 days. IT REALLY WORKS

You have most likely seen or heard about this project on TV programs such as 20/20 and Oprah, or you may have read about it in the Wall Street Journal. If not, here it is below - revealed to you in step-by-step detail. This program is by no means new. It has been in existence in many forms for at least a decade. But in the early days, it required a lot more time and effort, as well as an outlay of a few hundred pounds. However, thanks to PayPal and the Internet, the outlay is now virtually ZERO! And what's more, the entire process is FASTER, EASIER, and MORE LUCRATIVE than it has EVER been!

Robert T. Kiyosaki a financier, author and teacher says "this system works 100%, guaranteed - it is the best cash flow system that offers HIGH PROFIT RETURNS, with only a minimal initial investment".

Read On:

How to Turn \$5 into \$15,000 in 30 Days with PayPal

I WAS SHOCKED WHEN I SAW HOW MUCH MONEY CAME FLOODING INTO MY PAYPAL ACCOUNT

I turned \$5 into \$14,706 within the first 30 days of operating the business plan that I am about to reveal to you free of charge. If you decide to take action on the following instructions, I will GUARANTEE that you will enjoy a similar return!

Please do not be sceptical about this program. At least think about it for a few days. Otherwise you will be throwing away over \$15,000 in cash! This system has been working for 2 years and thousands of people have joined and they have been amazed by the results of a little time and \$5.00! You will too!

I became unemployed in August of 2001, along with several other colleagues at the printing firm where I worked. At that time I was living beyond my means and in serious debt. Several debt collectors were hounding me on an almost daily basis, and this consequently started a chain reaction that ended with the repossession of my car and then my home. As you can probably imagine, my prospects looked pretty bleak.

Then, in March of 2002, I received a short and simple email telling me how to make over \$15,000 at a time. I ignored it because of course, I was sceptical. However, I didn't delete that email because something about it rang true to me, and I was desperate to know whether it was possible to make that amount of money in such a short space of time. By this time, I was even deeper in debt, and I had just about reached the point of despair. I finally realised that I had absolutely nothing to lose by having a go at the plan offered to me in that email. And apart from that, I just couldn't stop myself from thinking What if it actually works?

Therefore, I put my doubts to one side and I went ahead and followed the

simple instructions given in that email. It took me less than 30 minutes to complete and it cost me no more than \$5. And yet, by the end of 2002, I was able to book the family holiday of a lifetime in the Caribbean, and I bought a brand new BMW with hard cash. Also in the autumn of 2003, I purchased a tidy condo in Florida for no less than \$125,000. And yet, I don't owe a single cent to anyone!

To date, I have made exactly \$376,855. My accountant has drawn up a cash-flow forecast in which he predicts that, within the next 18 months, I will become a millionaire just through this one business alone. Even now as I write this, I find it strange to come to terms with the fact that, like most people, I've worked hard and struggled all my life just to get by and then something ridiculously simple drops into my lap and immediately turns my life around completely. When I think back to all the similar emails I had previously deleted, it makes me shudder, because now I know just how close I came to missing out completely.

What did it say in that email? Well, if you'll read on, all will be revealed!

The business plan I am about to share with you works perfectly every single time. I've never made less than \$15,000 from it on each occasion. Let me assure you that this is a **LEGITIMATE BUSINESS OPPORTUNITY**, a perfectly legal moneymaking enterprise. It does not require you to sell anything. It does not require you to speak to your friends, family or anybody else (unless you want to). In fact, you do not need to come into contact with any people whatsoever. Anyone with a pulse can become successful and make their fortune

with this system. If you believe that every dog has its day, then follow the simple step-by-step plan exactly as it is set out below.

If you do this and this alone, I **GUARANTEE** that within the next 30 days you will receive over \$15,000 in cash via your PayPal account. I know that this must sound like an outrageous claim, particularly if you've never had possession of this sort of money before, but

believe me, this business works like nothing else you may have seen before in your life! By following the simple 3-step plan set out below, within a few short weeks your life will be transformed beyond all recognition! Please do not allow your initial scepticism to deprive you of certain financial success.

If you decide not to take advantage of this life-changing opportunity, I would like you to know that I sincerely respect your decision and I understand that you will have your reasons. I therefore wish you the very best of luck for the future. I am able to say this with absolute sincerity because, as you will see, if you decide to work this plan, I will not receive any financial compensation from you whatsoever. After all, I am sharing this system with you for free. However, remember life is short. Nobody has ever said that you cant have the financial freedom to do what you want to do, when you want to do it. But you must first pay the price. The price here is action; its as simple as that! I'm very proud to be able to say that I've fulfilled my duty to my wife and children by securing their financial future in a very uncertain world, and I don't believe that any price is too great to pay for such peace of mind.

This is the CHEAPEST, FASTEST and EASIEST way to make serious money online - PERIOD!

There are a lot of companies out there offering to put you in your own business, but I'm so certain you will make a **SERIOUS INCOME** with what I am going to tell you that I'm willing to roll up my sleeves and help you begin - **RIGHT NOW!!**

Remember, I am not asking you to send me a single penny for the lucrative business project I am about to share with you. In addition, you will not be asked to buy anything or sacrifice your free time. You will make some fast and easy cash, using just a copy of this page and the simplest and most popular Internet payment system in existence!

This program works no matter what country you are in, or what currency you use. It doesn't matter how old or how young you are. And you certainly won't need any special knowledge or talent. You won't need to run a website, or make phone calls, or make photocopies, or send out letters through the mail, or pay for advertising, etc. The only things you will need are:

- An email address
- A Business PayPal account with at least \$5 deposited in it
- Just 20-30 minutes of your time

This program takes just 20 minutes to set up. After that, there is absolutely no work whatsoever to do on your part. And yet, you will stand to gain many thousands of pounds within the next few weeks from those 30 minutes of easy work! Yes, I know, it sounds too good to be true! I thought exactly the same thing myself until I actually tried it out!

Even if you are already involved in another program, stay with it, but do yourself a big favour and DO THIS ONE as well. You have absolutely NOTHING to lose, but you stand to gain a LIFE-CHANGING amount of money within the next few weeks! In fact, there is NO LIMIT to the amount of income you can generate from this one single business program!!

The facts are simple: If you need to make a few thousand pounds REALLY FAST, then this program is the way to do it! It's the CHEAPEST, FASTEST, EASIEST, and MOST LUCRATIVE program you will ever participate in!

Please be sure to read all of this page . . . take your time, come back to it . . . go over and over it, you won't be sorry, I can certainly promise you that! If you don't have time to read all of this now, then save this email so

you can come back to it later.

All you need is a PayPal account and an email address!

Just about everyone has heard about "PayPal" (if you haven't you will soon!) and when I came across this concept I knew it would work because, as a member of PayPal (an Ebay company), I had already experienced their efficiency and excellent standing. PayPal is the simplest method of making and receiving payments online that anyone has ever seen! Anyone with an email address can join for FREE! Once you have a PayPal account, you can send and receive credit card payments to or from anyone - anywhere in the world! Please read further before you go there... You can complete this whole process within just half an hour and you will NEVER forget the day you decided to do so!!!

NEED PROOF? Here are just 3 testimonials from the countless individuals who decided to invest nothing more than \$5 and half an hour of their time to participate in this program:

"What an amazing plan! I followed your instructions just 3 weeks ago, and although I haven't made 15 grand yet, I'm already up to \$9,135. I'm absolutely gob smacked."

Pam Whittemore , Ohio

"This is Lisa. Well, what can I say?... THANK YOU SO MUCH! I sent 40 e-mail's out like you said and then I just forgot about the whole thing. To be honest, I didn't really think anything would come of it. But when I checked my paypal account a week later, there was over \$5,000 in it! After 30 days I now have over \$11,000 to spend! I can't thank you enough!"

Juan Tovar, NY,NY

"I was shocked when I saw how much money came flooding into my paypal account. Within 3 weeks my account balance has ballooned to \$12,449. At first I thought there had been some sort of error with my account!"

Richard Barrie , Boulder,CO

Just a few months ago, each of these people were doing the same thing as you are at this very moment - reading this! But because they decided to follow the simple instructions given below, they are now considerably better off as a result. And there's no reason whatsoever why you can't share in this success. You've got nothing to lose, and EVERYTHING to gain!

Let's get started, just follow the instructions exactly as set out below and then prepare yourself for a HUGE influx of cash over the next 30 days!

Here's what you need to do. . .

STEP 1

Ok, if you're not already a PayPal user, the very first thing you need to do is click on the PayPal link below and SIGN UP. It takes just 2 minutes!

Here's the link:

<https://www.paypal.com/us/mrb/pal=2PSD9ZFYNZU2Q>

Be sure to use this link so you can sign up for a free BUSINESS account. You'll need to have a BUSINESS account (and not a PERSONAL

account) otherwise you won't be able to receive credit card payments from other people.

STEP 2

It is an undeniable law of the universe that we must first give in order to receive. So the first thing to do when you have your Business PayPal account is to IMMEDIATELY send a \$5 payment from your PayPal account to the FIRST email address in the list below, along with a note saying:

"Please add me to your mailing list. "

Be certain to add this note, as this is what KEEPS THIS PROGRAM LEGAL. Instructions on how to send a payment are under "SEND MONEY" at the Paypal site. It's so easy!!

When you send your \$5 payment to the first address in the list, do it with a great big smile on your face because "as you sow, so shall you reap!"

Here's the current list:

1. smb11@woh.rr.com
2. leelee396@yahoo.co.uk
3. mast9910@yahoo.com
4. dumpsterboyz2003@yahoo.com

5. PaulNichol@blueyonder.co.uk

After you have transferred a \$5 payment to the email address at the top of the list, something very eerie happens. It gives you an indescribable, overwhelming sense of certainty, belief and conviction in the system. Youve just proved to yourself that, because you have done it, there must be a great number of other people ready to do exactly the same. Thus you have now seen for yourself, first hand, that this business actually works!

STEP 3

Once you've sent a \$5 payment to the address at the top of the list (along with your note - this is VERY important!), the next thing you need to do is to obtain a copy of the contents of this page, as you'll be sending it out (as an email message or by advertising your page, like I have done) to at least 40 people (keep in mind that 40 is a good number of people to reach, but with all the different ways of advertising for free on the internet the amount of views and sign-ups under you could well exceed into the hundreds or thousands if you wish....the more people who join the more profitable for everyone on the list, including you). The copy that you will send out will contain YOUR email address at number 5 in the list - having deleted the address at Number 1 in the list, and moving the others up a position.

The best way to do this is you can copy and paste into emails to your family and friends. You can copy and paste it and put ad's on the internet on message boards etc. Or you can create your own free website, by copying and pasting. There are many free webpages you can build on the web. For example 2 good ones are www.geocities.com or <http://www.cmlb.net>. Both of these are simple to use. And the best part of

having this info on a website for people to follow is you can post links to your site on paid to click websites or paid to read email sites, for great advertising. There are countless ways to get more people like me and you involved in this amazing program. Below is a fresh email list, created by opt-in for people who would like to make money.

- A. Go to the toolbar at the top of the window and select "Edit" and then "Select All".
- B. Go to the toolbar again and select "Edit" and then "Copy".
- C. Start (compose) a new email message (PLAIN TEXT so everyone can view it!).
- D. Fill in your email address and subject line, and then click in the main message area.
- E. Go to "Edit" and "Paste" to paste the text into your new email message. Now you can edit and format the message text in any way you want! However, it's best to just leave the text as it is because you want your email to be read by everyone who receives it!

The only thing you need to make sure of is that YOUR email address is at Number 5 in the list in STEP 2. Of course, the address that was previously at Number 1 should have been removed, and the other email addresses should have been moved up a position to accommodate yours at Number 5. As long as you have done this correctly, your email is ready for sending!

A word of warning! Don't be tempted to add your email address to position 1 in order to earn money fast! It doesn't work like that! If you do that, you will ONLY reach the people you directly send emails to, and then your address will be immediately removed from

the Number 1 place and you won't reach thousands of people! But, if you add your name to the Number 5 position, there will be literally tens of thousands of people receiving and sending email's later - when your name is at the Number 1 spot!!!

F. Once you've got your email message ready, send out a minimum of 40 copies of the email - but only to people you know, or to people who respond to MLM offers, or to people who've sent YOU offers. By sending this letter and the payment via EMAIL, the response time is EXTREMELY fast..... ELECTRONIC TRANSFER INTERNET FAST!!! That's why it takes only a few days for those \$5 payments to start flooding into your PayPal account!

THAT'S ALL THERE IS TO IT! The whole process should take you about 20-30 minutes to complete.

BE PREPARED TO GET EXCITED.... YOU WON'T BE DISAPPOINTED!!! Half an hour of easy work is all that's needed - no capital outlay, no postage stamps, no printing, copying or waiting, and the concept is 100% legal.

Within 30 days, over \$15,000 cash will pass through your PayPal account. And thats GUARANTEED. In fact, you can expect to receive a substantial number of \$5 payments within the first few days! Keep a copy of your email safe so that you can use it again whenever you need more cash!

Here's the math :

When you send out your emails, your email address will initially be at Number 5 in the list. That's the best position it can be in at this stage if you want to make serious money. The response-rate for this program is much higher than any typical email marketing campaign for a number of reasons, which are explained later. As long as you send your emails to people who are likely to be interested in

this program, on average, you can expect a response from about 25% of the people you send to. But let's be extremely conservative here and assume that you receive an average response rate of only 12.5%. . .

If you send out your email to 40 different people, you can expect at least 5 of those people to do exactly what you did (12.5% of $40 = 5$). By this time, your email address will have moved up to Number 4 in the list, and this list will now have reached around 200 people (5×40).

Out of those 200 people, you can expect at least 25 of them to participate (12.5% of $200 = 25$), so that's a further 1,000 emails (25×40) being sent out and your email address will have risen to Number 3 in the list.

Out of those 1,000 people, you can expect at least 125 of them to participate (12.5% of $1,000 = 125$), so that's a further 5,000 emails (125×40) being sent out with you now at the Number 2 position.

Out of those 5,000 people, you can expect at least 625 of them to respond (12.5% of $5,000 = 625$), so that's 25,000 emails (625×40) being sent out with YOUR ADDRESS at the Number 1 spot!

Now, out of those 25,000 people, you can expect around 3,125 of them to respond (12.5% of $25,000 = 3,125$). And since you will now be at NUMBER 1 in the list, you will receive:

\$15,625 ! ($3,125 \times \5)

So, when your name starts to hit the Number 1 position within the next few days, it will be YOUR turn to collect the money! Over the course of 30 days, this money will be sent to you by a few thousand people just like yourself - who are willing to invest half an hour

to receive around \$15,000 or more in cash! The first payments will arrive within a few days, and they will continue at the rate of about 100 payments per day for about 30 days. After that time, the volume of payments begins to taper off as your email address vacates the Number 1 position.

That's all you need to do! There will be around \$15,000 in \$5 payments waiting for you in your PayPal account within the next few weeks. \$15,000 for just 30 minutes work! This is real money that you can spend on anything you wish! Just deposit it to your own bank account or spend it directly from your PayPal account!!! It's just that easy!!! I think it's WORTH IT, don't you?

Remember, the 12.5% example above is assuming that 35 out of the 40 people you send your email to will do absolutely nothing except delete your email. However, if you follow the plan correctly and send your emails only to people who are likely to want to participate, you can expect a typical response-rate of around 25%. Hence, the 12.5% example is only given as a worst-case-scenario. Additionally, the above example assumes that each participant will only send out 40 emails. Imagine what would happen if each participant sent out 1,000 emails instead of just 40! Believe me, many people will do this and much more!

Consider this! Millions of people surf the Internet every single day, all over the world! Plus there are 50,000 new people who get on the Internet every month! The people who send you offers by email can provide you with an excellent source of bulk email addresses to send to. You can also send out emails to all of your family, friends, and to anyone who you think would want to invest \$5 and 30 minutes of their time to make a substantial lump sum within a month. If you want to operate this business continuously, you should consider obtaining bulk lists of email addresses from a reputable mailing list company. That's how I've managed to stay in business

for the last 2 years! If you already have a legitimate mailing list, then this program would be the most profitable way to make use of it. There are many websites that sell thousands of fresh opt-in email addresses of people who have subscribed to receive exactly this type of program. For example, visit: www.htmail.com and www.Email2Success.com. The possibilities are endless, and it's so easy!

Unlike many other programs, this 5-LEVEL PROGRAM costs you only \$5. That's right, only \$5 ONCE, which is much more realistic and provides much, much faster results. Only the first person on the list gets your \$5 gift, but everyone in the list will rise to that Number 1 position as thousands of emails are being sent out. No cheating can occur (don't be fooled by claims that this system can be cheated) as Paypal only allows one account per person. Because it is so easy, the response rate is VERY HIGH and VERY FAST - Internet email FAST, and you will start seeing dramatic results in less than one week! JUST IN TIME FOR NEXT MONTH'S BILLS!

Remember, you need only mail out 40 copies to start with. This will be enough to generate a substantial lump sum within 30 days. For example, send to personal contacts and reply to people who send their programs to you, as they are already working on the web. They know these programs work and they are already believers in the system! This is NOT considered SPAM if you are responding to other people's offers, or sending to friends, family and contacts, or if you are using a legitimate mailing list.

So, email your letters out today, and then prepare yourself for a huge influx of cash within the next 30 days!!!

4 factors that make this program so successful. . .

EXTREMELY FAST RESPONSE

EXTREMELY HIGH RESPONSE

RATE UNLIMITED PROFIT POTENTIAL

QUICK, SIMPLE AND CHEAP TO GET STARTED

Because of the VIRTUALLY ZERO INVESTMENT, SPEED, and HIGH PROFIT

POTENTIAL, this program has a VERY HIGH RESPONSE RATE! And all from

just a simple email and one simple \$5 PayPal transaction! In fact, this program has faster results and a higher response rate than any other Internet program you could possibly participate in! For most email marketing campaigns, the average response rate is between 0.5% and 5%. However, this particular program typically generates a response rate of between 20% and 30%. This is because this program is so easy to implement, it costs next to nothing, it takes just 30 minutes to implement, and the results can be seen within days.

I've been watching this type of MLM program for years and this is about as easy and fast as you can get it. No stamps, no envelopes, no printed copies to be made - just a little effort and faith!!!

This program really keeps it "short and simple"!

UNLIMITED income potential!

This program is structured for everyone to send only 40 emails each to start. However, you are certainly not limited to 40. Send out as many emails as you want. Every 40 emails you send has a return of **AT LEAST \$15,000 WITHIN 30 DAYS. So, if you can email 50, or 100, or whatever, GO FOR IT! THE MORE YOU PUT INTO IT, THE MORE YOU GET OUT OF IT!**

However, you MUST remember that sneaking your name higher up on the list will NOT produce the results you think, and it only cheats the other people who have put in the effort and have earned the right to be there. So please, play by the rules and the serious money will come to you!

You are probably sceptical of this, especially with all the different programs out there on the Web, but if you don't try this you will never know. I felt exactly the same as you probably do right now. I wanted to believe but i just couldn't help thinking that there was some sort of catch. But then I realised that I had absolutely nothing to lose. After all, I was only being asked to invest a measly \$5, and yet I could earn many thousands of pounds within a month. And all for just half an hour of my time! Therefore I went ahead and did exactly as the email requested. This took me around 30 minutes in total, and I'm so, so, glad I did that!

To get started, just click on the link below:

<https://www.paypal.com/us/mrb/pal=2PSD9ZFYNZU2Q>

But please play by the rules!

This program doesn't cost anything but \$5 and about half an hour of your time, and if everyone plays fair, everyone WINS!!

So there it is. You now have the knowledge that will enable you to make over \$15,000 within the next few weeks. The only thing that can hold you back now is a lack of faith or a lack of self-belief. However, any doubts you may currently have will disappear within a few days of putting this plan into practice. Trust me on this! You certainly won't regret it.

Some notes from the PayPal site which you may find useful

PayPal lets you pay anyone with an email address and is the world's Number 1 online payment service. PayPal (as an Ebay company) is accepted on millions of eBay auctions daily, as well as a countless number of online shops. You can also use PayPal to pay your friends - for example, it's a convenient way to split the phone bill with your roommate, send cash to your kids in college, or send cash to someone in another country.

When you send money through PayPal, you can fund your payments with your credit card or cheque account. You won't have to worry about your privacy, because PayPal keeps your accounting information safe and secure. Making a purchase with PayPal is far more secure than mailing a cheque or giving your credit card number to a stranger. That's why over 9 MILLION people from around the world use PayPal to move money. Signing up for a PayPal account is free, easy, and it takes only a couple of minutes.

Thank you, and good luck in your ventures

P.S. Does this sound too good? Well maybe to some sceptics it is. But it actually works, and is worth the 30 minutes of your time now. So, just mix yourself a drink and get started on it now. After all, you can't lose, but you stand to gain more in the next few weeks than many people earn in a year!

Just for a little added comfort and legitimacy, I have forwarded this email to you, and I can assure you that it is a solid system, and it really does work ! Good luck, and remember, it only takes 30 minutes (ok, maybe 40 if youre not as much of a PC buff as others!), but the point is, anyone and everyone can do this. Follow the instructions to the LETTER, and you cannot fail. **YOU ONLY PAY \$5 ONCE! DONT FORGET THAT.**

Good Luck,

James Miller
